2. **Legislative studies:** These are entered only under *Legislative Affairs: Committee Studies*. No subject entry is provided.
3. **Non-legislative studies:** These are entered in a subject section, but *not* under the agency(s) performing the study.
4. **Departmental entries:** Only bills directly affecting the organization and management of a department appear under the department/office entry. Administrative rule legislation may also appear under the departmental entry. All programs and other responsibilities are listed under the subject.
